I take great pride in offering one of the finest catalogs in the country. The variety and quality of the items for sale induces many first time customers to take part in my sales, even though they may not have done much buying by mail in the past. My reputation for integrity and fair dealings is known nationwide. I look forward to including you on my list of satisfied clients.

Unless otherwise described, items are in excellent condition. A few photos may look very dark or light -- see the descriptions for accurate details. Excellent color glossies are available for any item. Please feel free to call for additional information.

Terms are cash or check upon confirmation of order. Budget payments of three monthly installments are allowed -- please request this at time of order. Items will be shipped upon receipt of payment, with shipping charges to be quoted when orders are placed. All items are guaranteed genuine and as described. Any item may be returned for a prompt refund if not as described.

001	The finest worlds fair item I've ever seen, and also a superb firefighting piece. Outstanding large oil painting on canvas, in fine gilt frame 63x41, with linen liner. Bold colors, excellent detail and condition. Done in 1893 by an itinerant artist who lived above a dry goods store across from the Columbian Expo. He gave it to the store owners in lieu of rent. Descended through the family. Painting was exhibited (on loan) at City Hall, Chicago, for Columbus Statue Rededication Oct 1993, after which time it was sold to me. Detailed scene of the tragic fire which killed 17 firemen. The painting shows firemen falling from tower as their hoses burn. Additional firemen and equipment on ground and lower level of warehouse. Accompanied by photos, news releases, reference books, more.	12,000.
002	The finest political cane I've seen. 36" one piece solid rosewood, finely detailed accurate likeness, wearing high collar shirt. Impressed "POLK" on back of collar. Shaft carved in continuous smooth twist. Perfect condition.	3250.
003	Very rare cotton flag 22½x35, fine plus condition. A little minor soiling at bottom, several scattered water spots near his collar, couple small bites out of red stripe lower left corner. A nice frame will make it spectacular.	1850.
004	One of the finest pieces I've had the pleasure of offering. Extraordinary Sivas pictorial oriental rug 5'10"x4'2". Dark green and rose central cartouche with portrait "T Roosevelt Pres USA 1904", borders of cream and brown. Excellent and sound, no damage, a little fading in border. One of a very rare trio of portrait rugs -- the others freature Czar Nicholas II and Edward VII with Alexandra. Please don't confuse this with a tapestry or other weaving -- it is a carpet. I purchased it years ago at a top quality oriental rug auction.	9750.
005	Incredible large display set, 37" knife, 24" fork. Blade of knife engraved in 7" oval cartouche. "Used at a barbecue held near the site of the Washington Monument, Baltimore, before its erection in commemoration of Washingtons Birthday". Knife with 9½" ivory handle in form of lion, high relief eagle, liberty cap, bust John Adams. Fork with similar 8" handle in lion form, eagle, portrait Washington. Condition generally excellent. A couple of cracks to the ivory, as expected. One of the lions eyebrows is chipped on the knife, as is the tip of GW's nose on the fork. One of the four meat clamps on the side of the fork is missing. Spectacular mid 19th cent display item, worthy of the finest knife or historical collection.	18,500.
006	I sold this in my mail auction about 7 years ago (for $7700) and just repurchased it from the estate of the buyer -- famed autograph dealer and Americana collector Paul C Richards. 006A	Large 29x36 needlework. Daniel Webster with drapery, chair, statue of Washington. Previously unknown, but similar to known pieces for GW, Franklin and Henry Clay. Perfect condition, superb colors. The 39x46 gilt frame has wear and chipping.	2750.

ABRAHAM LINCOLN.
BORN, JULY 12, 1809. DIED, APRIL 15, 1865.
"After life's fitful fever, he sleeps well;
Treason has done his worst: nor steel, nor poison,
Malice domestic, foreign levy, nothing
Can touch him further."
OUR HONORED PRESIDENT, ALL AGREE.
"Hath borne his faculties so meek, hath been
So clear in his great office, that his virtues
Will plead like angels, trumpet-tongued, against
The deep damnation of his taking-off."
DUTY OF THE HOUR.
"Let's briefly put on manly readiness,
And question this most bloody piece of work
To know it further—Ill deeds are seldom slow,
Nor single—Dread horrors still abound—
Our country—it weeps, it bleeds; and each new day
A gash is added to her wounds."
